

Zoom Meeting Chat Box Etiquette

To keep the meetings safe for all members Debtors Anonymous Intergroup of Greater New York suggests following the below guidelines:

- Treat the chat box as you would the We Care Sheet*.
- Refrain from commenting on another member's share in the chat box as this may be considered crosstalk and can be distracting.

*In the chat box add the services you need or can offer along with your contact information, and copy down contact information for people that meet your needs.
